Join the Planning Department to discuss the 2017 Community Development Strategy

Topics will include:

- ◆ *Economic Development*
- ◆ *Downtown Revitalization*
- ◆ *Facilities and Infrastructure*
- ◆ *Historic Preservation*
- ◆ *And More!*

These meetings are being held to solicit input from Athol residents into the development of the Town's Community Development Strategy (CDS). Residents will also be asked to suggest which projects might be considered for the Town's next application to Community Development Block Grant Program (CDBG). The CDS is a report which is required as part of the Town's application to the CDBG Program. It summarizes and prioritizes the Town's goals, plans and projects. A summary of the input received will be presented at a 7:00 pm public hearing in the Selectmen's Meeting on November 1, 2016.

* - If the Draft CDS is not ready by November 1st, a back-up date of November 15th is anticipated.
