This agreement is entered into by and between the Town of Athol, Massachusetts, hereinafter referred to as the “Employer” or the “Town”, and the New England Police Benevolent Association, Local 59, hereinafter referred to as the “Union” or the “N.E.P.B.A.”. An attempt has been made to produce a “gender neutral” contract. In any event, the use of the masculine gender is only a matter of convenience. Where the context permits, the masculine includes the feminine, and the singular applies to the plural.

ARTICLE 1 - RECOGNITION

1. The Town recognizes the Union as the exclusive bargaining agent for the purpose of collective bargaining as to salary, wages, hours of work, and other conditions of employment for all permanent full-time police officers and sergeants of the Athol Police Department, excluding the lieutenants, chief of police, and all others. Student officers at recruit academies are not covered by this agreement.

ARTICLE 2 - NO STRIKE CLAUSE

1. The Union agrees that during the term of its agreement, neither it nor its officers or members will engage in, encourage, sanction, support, or suggest any strikes, slowdowns, mass resignations, or mass absenteeism which would involve suspension of the normal work of the Athol Police Department, or other town departments.
 - a) It is understood and agreed that the services performed by the town employees included in this agreement are essential to the public health, safety, and welfare. Therefore, the Union agrees on behalf of itself and its members that it will not authorize, instigate aid, condone, or engage in any strike, work stoppage or other action at any time, including termination of this agreement, which will interrupt or interfere with the said service performed by the Town of Athol. No employee shall cause or take part in any strike, work slowdown, or other action in violation of M.G.L. Ch. 150E, which will interrupt or interfere with the operation of the Town.
 - b) In the event that Union members participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct such members to return to their normal duties.
 - c) In the event of a violation of this section, the Union agrees to take positive affirmative steps with the employees concerned, and to hold employee meetings to bring about an immediate resumption of normal work.
 - d) Should there be a violation of this section, there shall be no discussion or negotiations regarding the difference or dispute during the existence of

such violation or before normal work has been resumed, unless or until the Union renounces the illegal action.

2. The Town agrees that it will not lockout employees nor will it do anything to provoke interruptions of, or prevent such continuity of performance by said employees, insofar as such performance is required in the normal and usual operation of town services.

ARTICLE 3 - MANAGEMENT RIGHTS

1. The Town of Athol shall not be limited in any way in the exercise of the functions of municipal management of government, and shall have retained and reserved unto itself all the powers, authority, and prerogatives of municipal management of government, including but not limited to the following, except to the extent that there is a conflict between the management right and a provision(s) of an Article of the Agreement, in which case the provision(s) of the Agreement shall apply.

3. No employee shall be removed, dismissed, discharged, suspended, or disciplined except as provided by law.
4. If a superior officer has reason to orally reprimand an employee, he/she shall do so in a manner that will not unduly embarrass the employee before the public or any police personnel. Nor will the employee unduly embarrass a supervisory officer.
5. The N.E.P.B.A. shall not discriminate against any employee because of race, creed, color, age, sex, union or non-union activities, as provided by law and its national constitution.

ARTICLE 7 - GRIEVANCE PROCEDURE

1. A grievance is defined as an allegation that one party to this Agreement has violated a specific provision of such Agreement.
 - a) No grievance against the Town can be filed as a result of an error or mistake (whether intentional or not) on the part of a union member. A

grievance can only be filed as a result of an action taken or decision made by a member of management.

2. Grievances arising out of the application or interpretation of this agreement shall be processed in the following manner;
 - a) The aggrieved employee and/or the union representative may first discuss the grievance with the superior officer involved, and if so an earnest effort shall be made to resolve the problem (consistent with the superior officer's authority, if any) in an informal manner by both parties.
 - b) An employee, when discussing his/her grievance or complaint with management may be accompanied by an official of the Union, or any other union member, at all times.
 - c) The employee and/or the Union may, within ten (10) days of the occurrence of the event(s) providing the basis for such grievance, or when the employee knows or should have known of these events, file a grievance in writing and submit it to the chief, or it will be considered null and void.

 - f) The town manger shall have thirty (30) days to hear the grievance and render his/her decision.
 - g) If the decision of the town manager is not acceptable to the employee, the Union may appeal to the Massachusetts Board of Conciliation and Arbitration within ten (10) days for a hearing. The decision of the arbitrator shall be binding upon all parties. The arbitrator may not alter the terms of this agreement and will render no decision which is contrary to law.
 - h) The above times may be mutually extended as may be necessary.
 - i) The cost of the arbitration shall be borne equally by the Employer and the Union.

ARTICLE 8 – HOURS OF WORK

4. The employer agrees to implement what is commonly known as the four (4) and two (2) work week.
 - a) Employees shall be scheduled to work four (4) consecutive days to be followed by two (2) consecutive days off.

 - a) Police officers on the five (5) and two (2) schedule shall receive, on an annualized basis, seventeen (17) days off as administrative leave, or if the assignment is less than a year a pro rate share of seventeen (17) days of administrative leave.
4. If an employee is assigned to attend a training course, the chief may adjust the employee's schedule (i.e. shift and days off) to coincide with the training so that the Employer is not obligated to pay the employee overtime.
 - a) But in no event may the adjustment of the employee's schedule cause him/her to lose time off that he/she would have been entitled to had no schedule adjustment been made.
 - b) When the training ends, the employee will resume his/her regular schedule.

ARTICLE 9 - OVERTIME

1. All assigned, authorized, or approved service outside of any employee's regularly scheduled tour of duty (other than off-duty paying police details and court appearances), including services on an employee's scheduled day off or during his/her vacation, shall be deemed overtime and employees shall be compensated therefore at the rate of time and one-half (1 ½) their straight time hourly rate of pay, for a minimum of four (4) hours.
 - a) Overtime service shall not include an out of turn tour of duty, which is substituted for a regularly scheduled tour of duty by mutual agreement between the employees and the Employer. Nor shall it include "swapped" tours of duty between employees.

- b) Any time spent in training in excess of the hours which would have been spent on a normal shift shall be at the rate of pay for that officer in overtime, including travel time for town-mandated training. Travel time will not be paid for voluntary training.
- c) Officers cannot be asked to work department overtime during their normal eight (8) hours work schedule, or if already scheduled on benefit time off such as a vacation day, personal day, ATO (accumulated Time Off) day, or if working the overtime would cause them to work more than eighteen (18) hours within a twenty four (24) hours period.
- d) When called in and paid a minimum (i.e. 4 hours) the Chief (or his/her designee) may require an officer to stay on duty for the entire time of the minimum (4 hours pay / 4 hours work).

2. Order of Assignment

- a) Once the chief of police or his/her designee determines a vacancy needs to be filled, all officers (reserves first and permanent full-time second) will be asked to fill the vacancy. The department overtime order of assignment shall remain in effect for the duration of this contract.
- b) Projected benefit days off as well as outside pay details (773) can be filled at the time of being received.
- c) Reserve officers will be asked to work all department overtime first excluding sick leave, paid holidays, and outside pay details (773), which will be filled with permanent full-time officers first. If the vacancy is not filled with a reserve officer, then permanent full-time officers will be called.
 - 1. Reserve officers will be assigned to work one projected benefit day a month.
 - 2. Two (2) reserve officers will not be allowed to work the same watch together.
- d) When the chief or Town decides to fill a vacancy, the following will apply:
 - 1. Supervisory personnel (i.e. sergeants) shall be used to replace supervisory personnel whenever such supervisor is absent from a scheduled work shift. If a supervisor cannot work the open supervisory shift, a permanent full-time officer shall be called.

2. When an officer is working as a supervisor, he is to be replaced by a supervisor first.
 3. A patrol officer's position shall be covered by a patrol officer. If the officer's position cannot be filled by a permanent full-time officer, then a supervisor shall be called to cover the shift.
 4. Dispatchers shall replace dispatchers whenever a shift opens which the chief decides to fill (the chief may assign an on duty officer to work dispatch, for example). If a dispatcher cannot be located to cover a dispatcher's shift, the dispatcher's shift shall be treated as an open shift and shall be filled according to the present department overtime order of assignment.
- e) All overtime shall be made from a revolving/blocking overtime list. The department will maintain one set of overtime records (department and 773).
1. All overtime shall be fairly and equitably distributed from said list with the most senior officer placed first on the list and so on until all officers' names have been placed on the list.
 2. All permanent full time officers will be available for department overtime by their standing in the department overtime blocked system.
 3. All refusals to work an overtime assignment shall count as an overtime assignment worked for the purposes of maintaining the list. Officers shall receive no more than one block refusal per offered unit of overtime.
 4. For the purposes of this section, overtime shall include regular shift work at the time and one-half (1 ½) rate of pay and outside details at the outside detail rate.
- f) When a vacancy occurs on any shift, and all avenues available to voluntarily fill said vacancy have been attempted and are unsuccessful, and the chief or his/her designee has determined that the filling of the vacancy is necessary for the operations of the police department, the officer lowest in seniority and rank (based upon the existing rank structure) that is regularly schedule to work the shift immediately prior to the vacancy (i.e. not on an overtime assignment) shall be held over for four (4) hours. An exemption to this is if an employee is scheduled to the shift as a result of a swap that has been deemed mandatory by the Chief of Police or his designee (i.e. swap for training).

1. Every attempt will be made to voluntarily fill the remaining four (4) hours of the vacancy.
 2. If the remaining four (4) hours can not be filled voluntarily, the officer lowest in seniority and rank (based upon the existing rank structure) that is regularly scheduled to work the shift immediately following the vacancy (i.e. not on an overtime assignment) shall be ordered in for the remaining four (4) hours of the vacancy. An exemption to this is if an employee is scheduled to the shift as a result of a swap that has been deemed mandatory by the Chief of Police or his designee.
 3. If no officer from the shift immediately following the vacancy can be reached and ordered in, then the officer who was held for the first four (4) hours of the vacancy will be held for the remaining four (4) hours of the vacancy.
 4. The chief will make an effort to avoid having officers ordered from their regular day off until other options have been attempted. For example, order over the junior most officer as has been the practice.
- g) Notwithstanding subsection e), if the chief decides that a particular overtime assignment requires an employee with particular training (such as but not limited to the D.A.R.E. officer, a traffic investigator, a rape investigator, or detective) he/she may assign this employee without regard to the overtime list.
- h) The chief or his/her designee may order all officers, both permanent full-time and part-time reserves, to work in an emergency without regard to vacations or days off.
1. When the department is in full mobilization there will be two (2) watches/shifts. The watches/shifts will be called "A" and "B" watches.
 2. Each watch/shift shall be twelve (12) hours.
 3. Officers will receive compensation at the established rate.
 4. The chief may cancel days off and vacation during a full mobilization.
- i) The remedy for any failure by the Town to make an assignment in accordance with any "order of overtime assignment" shall not include

monetary compensation for time not worked, and shall be limited to Accumulated Time Off (A.T.O.).

3. Any officer who has voluntarily agreed to work an overtime assignment and wishes to withdraw from that voluntary assignment must refill the assignment himself / herself in keeping with the provisions of this agreement, the rules and policies of the Athol Police Department, and current accepted practices. If the officer is unable to refill the overtime assignment, he/she will be responsible for working the assignment himself/herself.
4. Employees may not swap overtime assignments.

ARTICLE 10 - ACCUMULATED TIME OFF (A.T.O.)

1. When an officer works a department overtime shift, he/she may decide to convert said payment into A.T.O. Said payment will be at a rate of one and one-half (1 ½) times the amount of hours the officer had worked.

 - b) A.T.O. may be carried over from year to year.
 - c) Any officer requesting the inspection of his/her A.T.O. account may do so during the regular business hours of the police department's administrative assistant.
3. A maximum of twenty-four (24) hours per month, per officer, will be allowed to be used.
 - a) An officer will be required to file an A.T.O. day off request twenty four (24) hours before said day is to be granted.
 - b) All requests must be time stamped and will be granted on a first come basis.
 - c) Any request after the twenty four (24) hours may be granted or denied at the chief of police's discretion.
 - d) A.T.O. that is time stamped and approved prior to the twenty four (24) hours will not be recalled or denied due to other requests for time off.

4. Any vacancies caused in a shift by the use of A.T.O. may be filled at the discretion of the chief of police or his/her designee.
 - a) The chief of police or his/her designee retains the right to determine “critical staffing levels” and may deny A.T.O. requests to maintain those levels.
 - b) In the event a shift must be filled due to the use of any A.T.O. hours, the chief or his/her designee shall fill said vacancy by using the present process and order of assignment in respect to “department overtime”, when requested prior to the twenty four (24) hour deadline.
5. Upon retirement, any A.T.O. that an officer has accumulated in his/her account will be paid to said officer in full at one hundred percent (100%) of its cash value.

The parties also acknowledge that the Chief of Police or his/her designee has the further discretion to determine the number and rank of those assigned in any such instance necessary to maintain public safety or other legitimate interests of the community or department.

The Town and Union further acknowledge that, when there are Town funded projects, the Chief of Police or his/her designee, shall determine the type of traffic controls that are necessary to ensure the free flow of traffic and the safety of the workers and the public.

- 2. Officers who wish to apply for leave without loss of pay may do so by completing an application form supplied by the department prior to the end of a shift on which the injury or illness occurs.
- 3. Pending a determination of eligibility for injured on duty leave, an officer may be placed on sick leave.

4. Officers requesting injury leave will cooperate in the department's investigation, including but not limited to providing information concerning the circumstances of the occurrence causing the alleged disability, and applying or authorizing access to medical reports.

9. It is recognized that certain provisions of this article are at variance with the terms of M.G.L. ch. 41, sec. 111F, pursuant to M.G.L. ch 150E, sec. 7 (d). The provisions of this article will, therefore, supersede and modify certain aspects of ch. 41, sec. 111F. In all other aspects the provisions of ch 41, sec. 111F will still apply.
10. An officer who is on leave without loss of pay status pursuant to Chapter 41, Section 111F of the Massachusetts General Laws may, at the discretion of the Chief of Police, be required to perform light duty on either a full-time or part-time basis, provided the Chief, in his/her discretion, determines that there is light duty available to be performed by such officer and orders such officer to do so.
 - a. The Chief shall take into consideration information provided by attending physicians while assigning officers to light duty tasks.
 - i. The Chief will wait up to fourteen (14) days from the date of injury before assigning the injured officer to light duty in order to enable the officer to be medically evaluated.

- ii. If a report from the officer's physician does not support the assignment of light duty, the Chief may have the officer examined by a Town designated physician for determination of whether or not the employee is fit for light duty. In this case, the injured officer will not be assigned to light duty until after the Town's physician has made his/her determination.
- iii. Once assigned to light duty, if the officer is still in disagreement with the Town's physician he/she may make arrangements on his/her own to have his/her physician and the Town's physician choose a third disinterested, unbiased, and qualified physician to examine the injured officer. The third physician designation is subject to approval from the Town. The employee will remain on light duty during this process.
 - 1. Attendance of all third physician medical appointments will be on the employee's own time.

 - 4. All costs associated with the third doctor will be bourn by the party moving for a third doctor evaluation (town or injured officer).
- b. Officers who are assigned to light duty shall remain on their previously assigned shift rotation (i.e. 4&2 or 5&2) unless a change is mutually agreed to by the Chief of Police and the officer.
- c. Officers who are assigned to light duty shall remain on their previously assigned watch/shift (i.e. 0700 to 1500, 1500 to 2300, 2300 to 0700, etc.) provided that the light duty task to which he/she has been assigned can be sufficiently executed while assigned to that watch. If the light duty task assigned by the Chief requires that the officer is assigned to a watch/shift other than his/her regularly scheduled watch/shift in order to sufficiently execute the task, then the Chief will have full authority to assign the officer to whatever watch/shift necessary for the completion of the task. In this case the officer will retain their shift differential.
 - i. If more than one light duty task is available, the Chief of Police will prioritize these tasks and shall have full authority to determine

which task(s) is assigned to any officer on light duty based upon this prioritization.

- ii. A change in the injured officer's watch/shift assignment can be made if mutually agreed upon by the Chief of Police and the officer.
- d. Light duty tasks shall include, but not be limited to those tasks listed below. - i. If, upon notification of light duty assignment from the Chief of Police, an officer who is injured while off duty disagrees with the Chief's determination of light duty assignment no such assignment shall be made.
 - ii. Officers will use their first fourteen (14) days of sick time or have a balance of five (5) sick days or less (whichever is greater) before an officer will be eligible for light duty when injury was caused outside of work. If that officer has a zero (0) sick leave balance, the officer may request approval to perform light duty task(s).
- f. An officer will not be placed on light duty if the following applies:
- i. The officer is taking medication that would impair his/her performance.
 - ii. The sick leave is covered under the Family Medical Leave Act.

- g. No officer shall be assigned to light duty unless they are assigned specific tasks such as those described in paragraph #4 of this policy.
- h. Officers assigned to light duty shall not operate any marked department vehicles. If an unmarked vehicle is available, the officer may be authorized to use it in connection with his/her light duty assignment as well as for use in traveling to Town mandated out of town doctor's appointments, and while attired in civilian clothing. If the employee is required to use his/her own vehicle for such purposes, contractual mileage reimbursement will apply.
- i. On days that officers who are injured on duty are scheduled to attend physical therapy, doctors' appointments, and other injury related appointments, the injured officer may attend those appointments while on duty and shall report back to duty following the medical appointment unless excused by the Chief or his designee. No overtime shall be paid to attend appointments.
 - i. Officers on light duty status shall notify the department of all physical therapy, doctor's appointment, and other injury related appointment dates as soon after they become aware of them as possible.

- j. Officers who are assigned to light duty status may be considered for any overtime assignments that fit into the category of a light duty task (i.e. dispatch, court attendance, etc.).
- k. The Chief may re-evaluate an officer's light duty status as additional information relating to his/her injury comes to light.

11. Should the Town participate in a regional dispatch center, all references to dispatch duties in this section shall be deleted.

ARTICLE 29- AMERICANS WITH DISABILITIES ACT

- 1. As of July of 1992, all provisions of this Agreement must conform to the requirements of the Americans with Disabilities Act.
- 2. The parties have attempted to assure that no part of this agreement will result in unlawful discrimination.

3. In keeping with the recommendation of the Report of the House Committee on Education and Labor (Report No. 101-485), the Employer shall take all action necessary to comply with the act, notwithstanding any discriminatory past practice or provision of this agreement not in compliance with the act which, if maintained or enforced, could subject both the Employer and the Union to the penalty provisions of the A.D.A.
4. This article will not, in and of itself, require the creation of a "light duty" position.

ARTICLE 30 - SHIFT BIDDING

1. All shifts shall be open to competitive bid.
2. Bids are to be for a six (6) month period.
3. Preference to assignment will be given by seniority within the Athol Police Department, however, the chief may in his discretion assign members to shifts other than their selected preference in the following instances;
 - a) When the chief or his/her designee has initiated an internal investigation into alleged wrong doing by any member(s) of the department, and it is in the best interest of the department/town that two (2) or more employees be separated and not assigned to the same shift, the chief may at his/her discretion assign members to shifts other than their selected preferences.
 1. The chief reserves the right to determine necessary staffing levels and supervisory needs on each shift and may readjust shift assignments in order to fulfill these needs.
 2. Assignments under this condition will be temporary, lasting only until the conclusion of the investigation and any resulting necessary corrective/disciplinary action, at which time the officer(s) would revert to their original shift assigned by preference. The Town will do everything within its power to minimize the time of these reassignments.
 3. If a reassignment under this provision occurs and lasts for more than seven (7) days, and the chief has determined that the resulting vacancy on any shift needs to be staffed, there will be a re-bidding of all shifts so as to avoid an unfair bumping situation.
 4. Once the internal investigation has been completed, no officer shall be forced to work a shift other than his/her bid shift as a result of disciplinary/administrative action taken against another member.

- b) When by following the preferences by seniority would necessitate unnecessary overtime expenditures to provide proper supervision coverage (i.e. if two (2) untrained basic academy officers would be on the same shift).
4. The language in this article pertains solely to police officers and their preference to shift assignments. Nothing in this article shall be construed which would limit the chief in his managerial prerogative in his assignment of members to specialized functions, details, or positions (i.e. D.A.R.E. officers, detectives, court officer, community policing functions, etc.).
5. Whenever a member is not assigned to his preference by seniority, the chief or his designee will offer a written explanation as to why. This may be appealed to the town manager who could reverse the decision of the chief after hearing the matter.
6. If said member is not assigned to his preference by seniority for more than one (1) shift bid period, he/she may appeal his/her shift assignment to the town manager, and then to arbitration if deemed necessary in a manner consistent with section 2 of article 7 of this Agreement.
7. Bids may be reopened as necessary prior to the end of the six (6) month period if a vacancy occurs, employees are on a prolonged absence, or as additional employees are hired.

ARTICLE 31 - MISCELLANEOUS

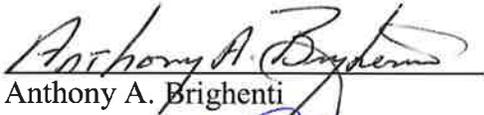

1. The Union will furnish the Town and the chief of police with a list of the N.E.P.B.A. officers of Local 59 to include the president, vice president, secretary/treasurer, and a grievance committee, all of who shall be members of the local police department.
2. If an employee resigns from a full-time position, said employee loses seniority within the department for purposes of the contract. If the employee returns to full-time status he/she will take the junior most position available.
3. Any person who laterals in as an officer to the Athol Police Department shall fill the junior most available slot for purposes of the contract.
4. The chief will post a notice for seven (7) days before filling any job specialty position on a permanent basis. This will give currently employed officers an opportunity to indicate their interest in such position to the chief.
5. The Chief will mandate all officers to attend a debriefing after any traumatic event that the officer was involved in. This time will be while on duty or the officer will swap his hours to attend such debriefing.

ARTICLE 32 - DURATION OF AGREEMENT

1. This Agreement shall be in full force and effect from July 1, 2016 to and including June 30, 2019, and shall continue from year to year thereafter unless written notice of desire to cancel or terminate the agreement is served by either party upon the other at least sixty (60) days prior to the date of expiration. Otherwise, the Agreement will remain in force without change. In such case, the existing Agreement will remain in full force until a new agreement is signed.
