

# Money- and energy-saving solutions for everyone.

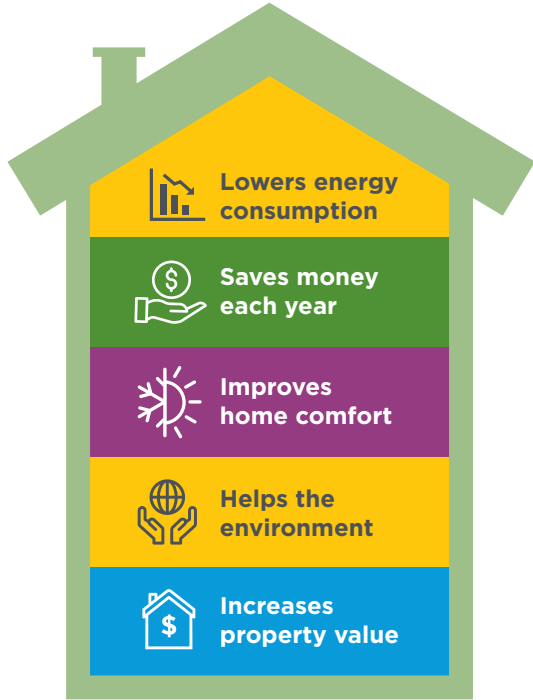

Wherever the place you call home may be, the Sponsors of Mass Save® want to help make sure you're saving money and energy where it matters most.

Take advantage of our rebates and incentives on upgrades and home improvements that increase your home's efficiency.

59% Heating  
17% Water heating  
22% Lighting and appliances  
2% Air conditioning

## Benefits of saving energy

“As a first-time homebuyer, being able to add efficiencies right away will save me a lot going forward.”

— Ben from Easton, MA

➔ You could receive no-cost air sealing and 75% or more off approved insulation improvements that keep you comfortable

Keeps you warmer in winter and cooler in summer

Reduces outside noise

Decreases pollen and dust that enter your home

Improves humidity control

Proper insulation of your attic, basement and walls makes a big difference in your home's year-round comfort and can dramatically reduce your energy usage.

Learn more at [MassSave.com/Insulation](https://MassSave.com/Insulation)

**20%**

Proper insulation and air sealing can reduce your annual heating and cooling costs by up to 20%.

**Insulation**

Material added to attics, walls and foundations to slow the rate of heat transfer through the exterior surfaces of the home.

**Air sealing**

Closing holes and gaps throughout the home that may cause drafts such as an unfinished attic or basement, around plumbing, exhaust fans and electrical wiring.

➔ Get rebates up to \$15,000 on heating, cooling and water heating equipment upgrades

**Heating/cooling equipment** includes eligible air source heat pumps, ground source heat pumps, and high-efficiency boilers and furnaces.

**Water heating equipment** includes eligible high-efficiency heat pump water heater, natural gas, oil or propane water heaters.

Learn more at [MassSave.com/HeatingandCooling](https://MassSave.com/HeatingandCooling)

➔ Enjoy generous rebates on high-efficiency appliances

ENERGY STAR® certified appliances use less energy than standard models and save you more money.

**Air cleaner** **27%** Less energy

**Dehumidifier** **15%** Less energy

**Electric clothes dryer** **20%** Less energy

Learn more at [MassSave.com/Appliances](https://MassSave.com/Appliances)

**Have an inefficient but running clothes washer?**

You may qualify for a rebate when you upgrade to an energy-efficient model, which uses up to 25% less energy and reduces water consumption.

Learn more and verify your equipment's eligibility at [MassSave.com/Washer](https://MassSave.com/Washer) or call **866-527-7283**

**Rewards for recycling refrigerators and freezers**

We offer no-cost pickup and removal for your inefficient, working fridge or freezer, plus a money-saving rebate.

Learn more at [MassSave.com/Recycle](https://MassSave.com/Recycle)

**Rebates for dehumidifier recycling**

Turn in an inefficient, working dehumidifier for a rebate.

Learn more at [MassSave.com/DehumidifierTurnIn](https://MassSave.com/DehumidifierTurnIn)

➔ Energy-efficient thermostats that make saving easy

Reduce your home's energy use with an energy-saving thermostat. Rebates are available on both smart and programmable thermostats.

**Smart thermostat**

Allows you to monitor and change your home's temperature via your smartphone from anywhere and automatically adjusts based on preferences.

**VS**

**Programmable thermostat**

Offers you pre-programmed, customizable settings to regulate your home's temperature.

➔ Find instant savings on small appliances, smart thermostats and advanced power strips

**Rebates available for:**

Dehumidifiers • Window air conditioners  
Room air cleaners • Electric dryers  
Smart thermostats • Advanced power strips

About us

Together, we make good happen for Massachusetts. Your local electric and natural gas utilities and energy efficiency service provider are taking strides in energy efficiency: Berkshire Gas, Cape Light Compact, Eversource, Liberty, National Grid and Unitil.

As one, we form Mass Save®, with the common goal of helping residents and businesses across Massachusetts save money and energy, leading our state to a clean and energy efficient future.

Save money, save energy.
