**Permit Signature Sheet**

**Property Identification**

Street Address: \_\_\_\_\_ Assessors Map # \_\_\_\_\_ Lot # \_\_\_\_\_

1. **Assessor Office** Room 16, of the Town Hall, 978-249-3880

\_\_\_\_\_ **Assessor**

2. **Department of Public Works.** The DPW is located in Room 24 of the Town Hall. You may call 978-249- 4542 for a appointment.

- To enter the road with your driveway you need approval of the DPW.
- If your lot has access to Town Water and/or Town Sewer.

\_\_\_\_\_ **DPW Superintendent**

3. **Board of Health** If your lot does not have town water or sewer you will need a well and/or a septic system installed. For more information on this contact the Health Agent Phil Leger, Room 1 of the Town Hall. You may call 978-249-7934 for a appointment.

\_\_\_\_\_ **Health Agent**

4. **Fire Department.** You need to have smoke/heat detector locations approved on the plan by the Fire Department. For more information on this you may contact the Fire Chief James Wright, 2251 Main Street. You may call 978-249-8275 for a appointment.

\_\_\_\_\_ **Fire Chief**

5. **Conservation Commission.** If your lot is with 100 feet of a wet land or 200 feet of a stream you will need approval of the Conservation Commission. You may contact Walter Lehmann at 978-249-9164 or J.R. Greene (Alternate) at 978-249-0156.

\_\_\_\_\_ **Conservation Commission**

**You need to return this form with a completed building permit application to the Building Inspector for a building permit before construction can begin. You may contact the Building Inspector Jeffrey Cooke at 978-249-3834 for an appointment or if you require additional assistance or information.**
