Customers must meet program eligibility requirements to participate. Some restrictions apply and offers are subject to change or cancellation. Eligibility for rebates/incentives is based on findings from the Home Energy Assessment. No-cost air sealing is targeted based on findings of the Energy Specialist. Insulation incentive covers 75-100% of the cost, for qualified improvements. Interest-free financing opportunity is subject to approval from a participating lender.

Bring out the best in your home.

Learn how you can access the energy-saving benefits of insulation, high-efficiency heating and more with a no-cost Home Energy Assessment.
